

SPOFFORTH WITH STOCKELD NEIGHBOURHOOD DEVELOPMENT PLAN

The next stage
Thursday 17 May at 7.00pm
LONG MEMORIAL HALL - SPOFFORTH

The Consultation Day in April was a great success and thank you for coming along and telling us what you feel will be the important features of our Neighbourhood Development Plan

Many of you volunteered to help us deliver the plan – thank you. We will need help in the year ahead to work on the various topics to make sure that the plan will be effective and meaningful. Please come along on the evening of 17th May and the groups can start to work together.

The topics which you felt were most important are as follows and we have put some ideas of things that will need to be addressed. Please join us and contribute to the part of the plan which is your passion.

Traffic Management - parking – street furniture – traffic calming – footpaths – highway – bus service – pollution.

The Environment - Green spaces – countryside and rural environment – wildlife – litter and waste – flooding and drainage – topography of the Parish – public rights of way – cycle tracks
