

## **A NEIGHBOURHOOD PLAN FOR SPOFFORTH.**

**OPEN DAY - SATURDAY 15 JULY**  
**LONG MEMORIAL HALL - 10.00 – 4.00 p.m.**

Following unanimous support at the Neighbourhood Plan meeting, the village will now go ahead with the venture but your support is needed to work on committees to develop the sections of the plan.

These are detailed below and will give a framework to produce this very valuable document which will provide a voice about future village developments.

The six sections of the plan to be progressed are:

- Housing and development
- Environment and energy
- Business and employment
- Traffic and the heart of the village
- Community well-being
- Heritage and design.

### **How can you help?**

Come along on Saturday 15 July – add your thoughts to our inspiration boards – and volunteer to help. The more the topics can be divided into sub-sections will make the development of the plan less onerous in the future.
