Introduction

In 2000 the Government launched an initiative via the Countryside Agency to allow local rural communities to apply for funding to put together a parish plan which allows a community to 'identify key facilities and services, set out the problems that need to be tackled and demonstrate how distinctive character and features can be preserved'. It would set out a vision for the community in the future and identify the action needed to tackle issues of concern and should include everything that is relevant to the people who live and work in the community, from employment needs to playgrounds.

Castle Street

A parish plan gives everyone a chance to say what they think about the social, economic and environmental issues affecting them and how they'd like to see their community improved during the next five, 10 or even 15 years. The whole community has to be involved.

Following the formation of a Parish Plan Steering Group, we were successful in obtaining funding through Rural Action Yorkshire, along with additional funding from the NYCC County Area Committee for Harrogate District, the Parish Council and the Village Society. During 2008 an extensive survey was carried out throughout the Parish of Spofforth

Tim Beevers, Chair Spofforth with Stockeld Parish Plan Steering Group

with Stockeld through a questionnaire. It asked the community for their views about the Parish and what they wanted to see improved.

Five hundred and twenty homes received the questionnaire and an outstanding 65% were returned completed. The results have been analysed and are presented within this Parish Plan, a very important document which should encourage discussion and result in actions that will benefit the whole community.

We would like to thank all those who took part in the survey. The Parish Plan is a working document and we do hope it will encourage residents to work together in improving the facilities available to us all.

Front cover Spofforth logo design by Sophia Hesketh (year 6), Spofforth CE Primary. Children were asked to create a logo which depicted images that represented Spofforth and what is significant to them. This was the winning design chosen by Shirley Fawcett (Chair of the Parish Council). Interestingly, Sophia's grandfather Peter designed the logo that has featured on the school's letterheads for some years now.

Building the future 3

A History of The Parish of Spofforth with Stockeld

The name Spofforth is believed to originate from Spaw (spa or well) and ford (crossing place) and the parish encompassed Follifoot, Linton, Plumpton, Little Ribston, Stockeld and Wetherby.

The first official mention of Spofforth is in the Domesday Book of 1086. 'In Spoford Gamelbar had three carucates of land, and there may be two ploughs, **William de Percy** now has four ploughs there, and nine villanes and ten bordars with four ploughs, and one mill of 2s and four acres of meadow; wood pasture one mile long and one broad; the whole sixteen quarantens long and one broad; the whole sixteen quarantens long and one broad; the whole sixteen quarantens long and twelve broad. Value in King Edward's time 20s., now 60s'. However, a settlement was here many years before this - Bronze Age battle axes and part of an Anglo-Saxon cross shaft have been found, whilst in 2001 a burial site was uncovered with artefacts dating back to at least 660 AD. About 867 AD Danes invaded from the north - the land being reported as mostly

wild uncultivated scrub and moor with wolves and bears indigenous.

The land was awarded to William de Percy after the Norman Conquest and he constructed the **Castle**, although officially a fortified manor house, which was originally an 11th century fortified manor house. The family stayed there for 300 years. The Castle was

The Millennium celebrations culminated in 'Pageant in the Park - The Footprints of Time' performed on the Castle Field.

fortified in 1308 and renovated in 1559: sadly, it was then ruined in the Civil War. The oldest part is the 13th century undercroft to the hall which is built against a rocky outcrop. There is a 14th century two-storey chamber to the north of the hall that has a polygonal stair turret on the north-west corner. The main hall was rebuilt in the 15th century. Tradition has it that the drawing up of the provisions of the **Magna Carta** in 1215 was held here. In 1224 a grant was obtained for a Friday market and in 1308 **Henry Percy** obtained a licence from the King to crenellate his manor. However in 1309 the Percies acquired their castle in Alnwick and their Spofforth property became less popular as a family residence. Various sightings of a bluish-white apparition falling from one of the towers have been reported.

The Poll Tax of 1379 shows the number of houses as 40 and inhabitants numbered about 180. After the Battle of Towton in 1461 the Castle was plundered and burnt by the victorious Yorkists after the death of **Henry Percy** along with thousands of his fellow Lancastrian supporters. The Hearth Tax of 1672 shows 85 houses and a population of 382 including both Stockeld and Braham. In 1688 **Laurence Eusden**, son of Rev. Eusden of Spofforth was baptised here; he became Poet Laureate in 1718 althoug he was unpopular amongst his contemporaries. In 1712 John Hebden, cellist, bassoonist and composer was also baptised at Spofforth Church. The scandalous divorce case of Middleton v Rose of **Stockeld Park** rocked English society in 1795.

John Metcalf (Blind Jack), road maker extraordinary, having retired to live with his daughter off the High Street, died in 1810 at the age of 92 and is buried in the churchyard. He was a regular domino player at the White Horse Inn. In the same year the **Methodist Chapel** on School Lane was registered.

The Hon. **William Herbert**, classical scholar, linguist and naturalist, became Rector in 1814 and cultivated the *Herbertia* crocus corms in Spofforth.

The Old Rectory is believed to date back to the 14th century with remains of an old 'church' window still visible at the rear. It was home to many rectors of **All Saints Church** until 1954 when it was sold by the church to become a private home. More recently Christopher Dickens, great-great grandson of **Charles Dickens** lived there

4 Building the future

for 40 years. The Old Rectory is a Grade II listed mainly Georgian house with a listed double archway entrance believed to have been moved here from Spofforth Castle.

In August 1847 the railway line between Church Fenton and Spofforth was opened, employing horse omnibuses to ferry passengers on to Harrogate until the completion of the line in 1848. The National School was completed in 1850 at a total cost of £742.2 shillings. It was founded by the Rector Rev. **James Tripp B.A.**, who in 1855 almost completely rebuilt the chancel and nave of the church

attracting much criticism. Various other schools also flourished - **Potter's Academy** and **Red Hill House** were boarding schools as well as dame schools.

The **Village Feast** was held in November starting on the first Sunday after the fifth. Various events and 'treats' took place, including in 1859 'a good fat goose was presented to every household' and in 1908 a circus, menagerie, whirligigs and shooting galleries formed part of the entertainment.

There were five public houses, The Castle, King William IV, The Prince of Wales, The White Horse and Railway Inn of which only two are still trading.

In 1908 **Spofforth Football Club** was founded, whilst in 1926 a local Lodge of the Royal Antideluvian Order of Buffaloes was initiated. The foundation stone of the **Long Memorial Hall** was laid in 1927 and officially opened the following year in recognition of the Long family - horse breeders and upstanding citizens of the village.

Nineteen villagers were lost 1914-1921 as inscribed at the entrance of the Memorial Hall, whilst the Parish lost considerably more in both conflicts as commemorated in the Church. In 1943 a Halifax BB282 crashed onto the sewage works killing six of the crew. In 1959 **Leonard Cheshire** officially opened the third Cheshire Home in Yorkshire at Spofforth Hall. The railway line and station was closed by Beeching in January 1964. A Village Day was held in 1987 to purchase the **Castle Field** thus preventing any development on it. The **Harland Way** cycle track between Spofforth and Wetherby opened in 1992.

Spofforth Today

Spofforth is a pretty village located within the 'golden triangle' between Wetherby and Harrogate. A large part of the village is in a Conservation Area with 13 items on the statutory list of Buildings of Special Architecture or Historic Interest, i.e. grade I or II listed. Stockeld is located on the A661 just outside Spofforth towards Wetherby. Stockeld Park is a privately owned 2,000 acre agricultural estate and home to *The Christmas Adventure* and also one of Yorkshire's finest Christmas tree growers.

The Parish of Spofforth with Stockeld has a population of 1,200 living mainly within the village of Spofforth along and off the High Street, Castle Street and Harrogate Road, the busy Harrogate to Wetherby route. The newer developments of Massey Garth and White Horse Mews are off Harrogate Road and, more recently, a number

of affordable housing developments became available on East Park Road off Park Road. Spofforth offers a wide range of excellent facilities which include a shop, two public houses, hairdressers, a village hall, cricket club, snooker club and a golf course to name a few.

Spofforth CE Primary School is located on School Lane. James Tripp, Rector of Spofforth, founded the school in 1847 and a stone plague to commemorate his death

in 1879 is located above one of the cloakroom doors. In the 1960s with the expansion of the village the schoolhouse was amalgamated into the main building and new classrooms were constructed. The school has seen many improvements with its facilities and grounds and is very well supported by both the PTA and other village based organisations.

All Saints Church is a large interesting church boasting a carved cross neck dating from the first half of the 10th century, a Norman south doorway and a stone effigy of Sir Robert de Plompton who died in 1323. The tower was built in the 15th century and the nave and chancel were almost completely rebuilt in 1855.

"Over the next few years, as your new Vicar, I'm aiming to return the church to the heart of the community, strengthening links between church, school and local organisations. Upgrades to church facilities plus new services are also planned" The Revd Professor Myra Shackley

Spofforth today reflects much of its past and its historic character. The Castle, an English Heritage property, is managed by the Parish Council and is a very popular attraction for both locals and those from much further afield.

Ramblers frequent the area walking by the old corn mill via the listed packhorse bridge and passing the school field which exhibits the traditional ridge and furrow system of strip farming. Other popular walks lead to the villages of Kirkby Overblow and Sicklinghall. The Harland Way, a well used cycle track from Wetherby to Spofforth, brings visitors to the village and trade to the inns and shop.

Taken around 1890

Taken in 2009

You and Your Family

There are nearly 520 homes within the Parish with 1,200 residents on the electoral register. We were able to establish how long people had resided in the Parish, and this showed an element of stability with the highest percentage living here between 26-50 years

The Environment

Spofforth lies six miles south-east of Harrogate and three miles north-west of the market town of Wetherby. It occupies a low ridge between Park Beck and the River Crimple.

Situated within North Yorkshire and within a conservation area, Spofforth benefits from the protection of the existing architectural and historic interest of the area, the potential for enhancement and the opportunity to conserve the local heritage. In addition, property values in a conservation area are often higher than those outside because of the additional care, thought and resources given to the area by residents and

The Millennium Garden, Spofforth

the local authority.

A high number of responses within this section showed that people within the Parish had concerns and views about the environment, especially in relation to recycling, litter and dog waste with a call for more support of Spofforth in Bloom. 77% said yes to greater support of this initiative run by a small group of volunteers who dedicate their time to making the village look colourful with tubs, baskets and many pockets of planting and conserving the Spofforth

crocus. They encourage involvement and raise awareness. Yorkshire in Bloom judging takes place twice a year and their highest accolade is Silver Gilt. The Strawberry Teas event in summer is one of their fund raising activities.

An overwhelming 83% said yes to campaigning for a by-pass although, given the possible environmental and social implications, there were several comments from people against the campaign such as an increase in housing within the in-fill areas, the village could become cut off and speed is a major concern not the volume of traffic. This subject has been tackled in more depth within the Transport section on page 14.

There was great concern about dog waste with 63% wanting to see more dog-waste bins for owners to use, 38% wishing to see more notices to pick up waste and litter and 35% wanting to see greater publicity relating to the health hazards of dog waste.

Interestingly, 42% of residents were not happy with the recycling facilities within the Parish with desires to have wheelie bins including green bins, garden waste recycling, plastic and cardboard recycling kerbside or at The Castle pub. Residents of Spofforth Hall called for their own recycling facilities.

Street lighting was generally seen as effective with 48% stating no change required. However, 17% would like to see the church floodlit and 15% feel the village would benefit from better lighting in areas such as School Lane to Castle Ings, Spofforth Castle and Castle Street close to the Manor House. Some residents felt that street lights should be switched off at midnight to conserve energy.

Ginny Greenholes, a nature reserve also known as 'The Wetlands', is being developed to enhance its wildlife interest and to create a very special open place for the village to enjoy, with a car park, picnic areas, a children's play area and interpretation panel.

8 Building the future

The magnificent red kite has made a welcome return to the skies over the Parish after many years. In terms of open and communal spaces importance was noted as follows:

Access to countryside footpaths	357	74.53%
The Castle	344	71.82%
Cycle track	287	59.92%
Village Hall	269	56.16%
Cricket ground	251	52.40%
Village Green	229	47.81%
Millennium Garden	206	43.01%
School field	191	39.87%
Railway embankment	177	36.95%
The Wetlands 'Ginny Greenholes'	108	22.55%

Environment Action Plan

Environment Action Group

Following on from the results received, a small Environment Action Group has been formed to work at improving facilities for dog owners and raising awareness i.e. more waste bins, better signage, name and shame owners not complying to the law and more on-spot fines. Along with this the group has a small amount of funding to produce a reference guide for walkers coming to Spofforth, where to access information about good walks, cycle routes, walks with buggies and places of interest around Spofforth and Stockeld.

Issue	Ultimate objective	Action required	Timing
Recycling	Introduce wheelie bins. Garden, cardboard and plastics facilities	Liaise with Parish and Borough Councils	2009-2010
Dog waste	More dog-waste bins	Work with Parish Council along with action to get better signage and more bins. More dog wardens needed. Raise awareness	2009-2010
By-pass	Campaign for a by-pass	Work with the Transport Action Group (see page 14)	
Street lights	Church lighting Castle and street lights	In consultation	N/A
Open spaces	More dog walks Playing fields Wheelchair access	In consultation	N/A

The Economy

Within The Economy section of the questionnaire we studied employment trends, existing businesses and the importance of tourism.

Local opportunities in terms of employment was important.

Which of these local opportunities are important to you?

When asked about employment, many local people were unaware of existing businesses within the Parish and supported the use of a booklet advertising local businesses.

Would you support a directory of services and businesses for the Parish?

Yes 78%

No 22%

From early Working Group research people were keen to support new business. **Services** include the shop, pubs, hairdressers, fish and chip van every Tuesday and the mobile library.

Spofforth has a rich heritage and is well located for tourism; people visit Spofforth to wander around the Castle and use the village as a base for many local walks.

In terms of tourism, which of the following are important to you?

Economy Action Plan

Establish a working group. Involve the Village Society and produce a services guide. Involve other working groups for history and walks guides. Assess the feasibility of a pocket in the Parish Plan to hold services and walks guides. Assess the feasibility of a new community shop and tea room.

Economy

Issue	Ultimate objective	Action required	Timing
Businesses	Booklet, directory of services	Form working groups	2009
Local guides	Walking and history	Work with other groups	2010
New facilities	Community shop and tea room	Funding	ASAP

PEN 7am 7 DAYS 7 DRINKS 7 COLD RINKS 6 FOOD

Social and Community

Within the questionnaire we tried to find out how people felt about the community they lived in and what would encourage them to participate more in community activities.

The village offers a good social life with the Village Gala well attended every summer plus the Family Fun Day on Castle Field. Winter nights offer Bonfire Night fun at the cricket ground plus carols around the tree in the Millennium Garden.

Cricket has been played in

Spofforth since at least the middle

of the 19th century, with evidence

of a match being played opposite

the village church prior to 1854.

In 2008 Spofforth CC won the

the 13th time, believed to be a

League record. As well as the senior teams the club also runs five

Wetherby League championship for

junior teams, at under 9, under 11,

Spofforth in action

under 13, under 15 and under 17 levels and holds regular Friday evening coaching sessions from the end of April through to the end of July with 110 junior members registered.

The club is Sport England Clubmark accredited, which ensures that the junior programme is conducted as a safe child-friendly environment - the first cricket club in North Yorkshire to achieve this status and only the third in the county. The club also coaches into four local primary schools, Spofforth, Goldsborough, Kirkby Overblow and Sicklinghall. (All their coaches are Criminal Records Bureau checked).

Whilst the club attracts players from the surrounding areas it is always conscious of its roots and is at the hub of the village community. It hosts the annual Village Gala in partnership with the village school Parent Teacher Association.

Around 1915, the original Snooker Club in Spofforth had one table at Massey Garth, now known as Chantry House. The villagers referred to this room as 'the reading room' and, with the kind permission of the then owner Mr CH Knowles, the men both young and old were free to come and go whenever they wanted a game.

When the Long Memorial Hall was

completed around 1928, the table was moved to a snooker room dedicated to the purpose.

A second table was acquired from the closing of the Wetherby Conservative Club in the 1960s.

Two teams are members of the Harrogate and District League and a further two teams are members of the Caines Jewellers League, formerly known as the Mid Wharfedale League. However, tables can be booked for social play. The club extends a warm welcome to all, but limits junior members to accompaniment by an adult member. There are membership fees.

Spofforth has a very popular 18 hole pay and play parkland golf course off Haggs Road. Also off Haggs Road is the Sunrise Lakes Fishery.

Events and Activities

Most people in the village (59%) felt that there were sufficient activities in place to support their interests. However, comments show an awareness of a lack of opportunities for young people in the village and a number of suggestions were made.

In terms of village events 52% of people reported that they felt there was

no need for additional events in the village's annual calendar. The Gala was attended by 62% of respondents and as such was the most popular village event. The second most popular event, also based at the cricket ground, was the village Bonfire Night attended by 35% of respondents. Village Hall based events, the WI Fair and the Church Fair, as well as the school Christmas Fair held at the school, were each attended by around 20% of respondents.

The need for better publicity of events and activities was also noted.

The majority of people were not interested in adult education facilities (58%) though of those that were interested, language classes and IT training were popular choices.

Social and Community Action Plan

Issues	Objective	Action	Timing

Kirkby Overblow Dramatic Society Last week November/first week December Ceilidh Winter

The Hall now has disabled facilities which include a disabled toilet and a stairlift access to the main hall. A modernised meeting room seats 12.

An excellent venue for children's parties, dances, theatre groups, workshops and wedding receptions the Hall can even accomodate a bouncy castle for children's parties!

Transport

In the Transport section the aim was to establish methods of transport used and any related issues. Also to highlight any concerns that you may have relating to parking or traffic in the village.

Not surprisingly the major method of transport for our villagers is the car, with 93% of respondents claiming this as their main form of transport. Around 40% state that they never use taxi services and the general view of the bus service is that it is satisfactory. Detailed responses to these issues can be found in the General Statistics section.

The major issues highlighted in the pre-questionnaire village meetings surrounded both traffic levels and speed as well as parking. Accepting that these were major concerns of villagers, the questionnaire aimed to identify methods of addressing them.

Traffic levels

83% of respondents would support a campaign for a by-pass.

Assuming that the by-pass is a medium to long-term project, villagers were asked to give their views on the preferred methods of traffic calming and the following percentages relate to category 1 value ratings given by respondents for each treatment:-

Chicane 64%

Speed bumps 51% Speed cameras 41% Speed reductions 28% Flashing signs 16%

Parking

Parking remains a major issue in the village and effective treatment will vary in each individual 'hot spot' but blanket treatments were rated as follows, again as category 1 ratings:-

Greater traffic control 68% Double yellow lines 56% Visitor parking 48% Public parking areas 29% Road widening 28% Bollards 12%

Children and Young People

In this section we have looked at the facilities for young people in Spofforth. We have tried to explore where we are doing it well, where it can be improved, what age groups are catered for and if there are any sections of our community which feel excluded.

108 young people completed this part of the questionnaire. 73% felt there was not enough for young people to do.

We asked about the range of clubs and activities young people would support if provided.

Playground	73
Sport	58
Cinema Club	50
Martial Arts	45
Drama Group	42
Holiday Club	42
Youth Club	42
Dance Class	39
Cubs/Brownies	32
Scouts/Guides	28

When questioned about sports activities you would support if they were available, the ideas were as follows:

Squash/tennis courts, football, running, badminton, archery, a maypole, athletics, rugby, playground for a large range of ages, baseball, basketball nets, assault course, hockey, mountain bike park/course (possibly on cycle track), shooting club, motorcross track, netball, swimming, golf for younger people. When asked what three things young people liked about living in Spofforth you responded as follows:

Good Christmas tree	1
Church	1
Church Choir	1
Good ice-skating rink	1
Golf nearby	1
Spofforth in Bloom displays	1
School Field	2
Cycle track	5
Friends live close by	5
Gala	5
Nice village shop	6
Buses to Harrogate	6
Quiet place to live	8
Good school	9
Safe and everyone is friendly	9
Castle ruin and Castle Field	11
Cricket Club	14
Scenery, the countryside, walks around the area	15

When asked which three things young people disliked about living in Spofforth, you responded as follows:

We don't do much as a community	1
Animals sometimes get killed on the road	1
People are spoiling the environment	1
Bullies	1
No signal for orange phones	1
No police	1
No football nets	1
Broken glass around the Castle	1
Don't know many people as don't go to	
Spofforth school	1
Short cycle path	1
Dog and horse mess	2
Not enough buses	2
Teenage threat	2
No youth club	2
Isolated	2
Buses are too expensive	3
Too many cars on the street (parked)	3
Only one shop and it's quite expensive	5
I can't play cricket until I am six	7
No organised activities	11
Nothing for children to do i.e. playground	14
The main road is too busy	15

16 Building the future

by Elliot Machin, aged 9

Living in Spofforth is fantastic except when you can't recycle plastic, I really like going to the schools and learning stuff is really cool.

by Charlotte Balfour, aged 6 1/2

Senior Citizens

Senior citizens are catered for with activities which include the following:

Age Concern Coffee Morning | Village Hall First Thursday and third Tuesday of each month

An opportunity for a chat over a cup of tea or coffee and cake. Run by Age Concern Knaresborough. Information is available on all age related matters.

Spofforth Seniors Luncheon Club | Castle Inn Last Tuesday of the month

An informal monthly get together over lunch. It's open to all Spofforth seniors but booking is required.

The Travel Club | Various destinations | Usually meet at Village Hall or pick up from home

Occasional excursions to places of interest locally. Transport is provided by either minibus or volunteer drivers.

Computer Course | Spofforth School

A basic introduction to IT skills. Initial five week course run by North Yorkshire County Council Adult Learning Service.

General Statistics

Total number of households = 325. The number of responses for each question is given and, where possible, the percentage of total responses this represents is given in brackets. Some questions allowed multiple responses and therefore no percentage is given for the total.

Comments

Bus Service (Question 6)

Stop by the village hall is used as a 'hang out spot' The route should by-pass Akleton, Bus route through Follifoot too narrow Helpful to have an earlier bus on Sundays Need a direct route from Spofforth to Knaresborough More frequent and later direct buses Harrogate to Leeds needed Fares too expensive for non pensioners Not enough covered shelters at all bus stops Buses need to be more punctual Would be useful to have a route going to Pannal for access to the train station Need a direct route from Spofforth to Knaresborough

Cycle Track/Footpaths (Questions 9 and 10)

More dog litter bins needed on cycle track More dog litter bins needed on East Park Road Do not feel safe on cycle track walking alone Do not feel safe due to cycle track being unlit Cycle track should extend to Harrogate Better signage needed at Spofforth High Street Some bike riders are dangerous as they do not use bells. Only don't feel safe during week days when it is guieter Needs a better upkeep especially surface/drainage Track for horse riding would be good Motorised scooters are a problem Disabled access difficult Horses ran us down in field where public right of way Lack of footpaths alongside roads Footpaths not wide enough for pushchairs Lack of maintenance of some stiles

Traffic (Question 11)

A by-pass is needed! Stop 'rabbit run' through Spofforth to Harrogate Enforce weight limits on coaches Speed bumps and cameras could distract drivers and cause more accidents More speed checks at peak times Policeman using radar gun 1-2 times a day for 2-3 months, this worked in Huby. No problems Haggs Road - 20 mph zone needed High Street/Castle Street traffic speed is a problem needs enforcing The 30 mile an hour signs should be moved to Spofforth Hall The pelican crossing is frequently ignored by motorists Unmarked police cars Speed bumps would inhibit emergency vehicles and are unsightly in a small village. Reinforce the 7.5 tonne limit Reduce speed limit Spofforth to Wetherby Road - speed cameras

Parking Problems (Question 12)

Answered no but made no further comment Don't know Answered ves but made no further comment The following () answered yes and commented as follows:- Houses with two or more cars should only use one space The shop from roundabout to hairdressers Clive Road School Beech Lane Memorial Hall Grange Avenue Hiah Street Church Hill Castle Street East Park Road Park Mount Church (during services) Pub Car Park

Suggestions (Question 13)

More off street parking needed possibly Castle Inn during day Resident only parking area There is lots of parking on pavements Would not be a problem with the by-pass Residents along the High Street are short of parking spaces Residents only parking on Clive Road A pedestrian crossing is needed by the Railway Inn Hikers park then go off walking Stop parking on the pavement but encourage street parking Carpark needed opposite church 'No Parking' signs especially outside the shop Purchase plots by Massey Fold as it is mostly unused farm land, this could be used for parking areas

Village Enhancement (Question 14)

This is a village of two halves, the centre and Follifoot end is very pretty however from the roundabout and towards Wetherby it is not as nice Improve footpaths Existing benches/shelters act as magnets for young people Walls or hedges in front of large new houses Remove temporary signs immediatly after event More benches, fewer signs

Keep Green Places Green. Campaign for a by-pass (Question 15)

A by-pass would probably be followed by a housing infill By-pass is the only solution The by-pass will decrease my property value Keep HGVs far away A by-pass towards the A1 would benefit both Spofforth and Wetherby A by-pass for Spofforth that does not include Wetherby Road would be pointless A by-pass could cut-off the village, the speed of the cars is the problem not the volume

General Litter (Question 17)

School field Bus stops Castle Street between bus stop and school Park Lane School Lane On approach roads in and out of the village cars from Wetherby throw fish and chip packaging East Park Road Village green Everywhere Harland Way Castle ruins youngsters having parties in the Castle Haggs Road, people throw litter from cars, council never clears it up. I do several times a vear Wetlands Near shop Dog mess near the Castle In the layby at Deer Springs - a large bin near the burger van Football pitches On the High Street, between The Castle pub and pelican crossing bottles are found frequently Church doorway

Dog Litter (Question18)

The bin on Clive Road is used for dog mess, smells and attracts insects in summer Bins on more roads More street lighting, fouling increases in winter when people think they cannot be seen Existing restrictions need enforcing Dog's aren't allowed in the Castle Field but owners still use it This is a major issue when walking down the road with prams

Recycling Facilities (Question 19 and 20)

Harrogate tip They are too far away Sainsburv's Need wheel bins: 1 general, 1 green waste and 1 recycling Having dirty cases returned instead of my own led me to stop using the kerbside recycling It is a long way to walk to The Castle pub with bags of recyclables Didn't know of any, I use the council dump Plastic disposal needed Recycle bottles and paper in Wetherby Better kerbside facilities needed Thorpe Arch tip Own a van and get classed as trade when i go to the tip A green wheelie bin for garden waste like other areas Would like recycle bins in HDC catchment area Garden waste bins needed No collection on Haggs Road or Nickols Lane Central facilities for village Often difficult to get into the pub car park How about a swap shop for items, this could be done on the village website No collecting of garden waste, cardboard or plastic

Building the future 23

Energy Saving (Question 21)

A small farm stall i.e a couple of times a week Solar power initiative/scheme in the village Biomass heating plant Would use public transport more if it was better co-ordinated As a family we would use public transport more if it was cheaper, i.e. under 16's travel free Ground source heating Grants for solar energy and wind turbines A wind farm on the Haggs could supply the village with an amount of electricity

Street Lighting (Question 22)

School Lane to Castle Ings needs lighting Bring back white street lighting Street lighting should be turned off after 12 midnight/2am lights should be turned off at midnight Not orange lighting for the church Castle ruins floodlit More lights needed on the bend near the castle, it is so dark it's dangerous in winter

Communal Spaces (Question 23)

Need wheelchair access The school field should be leased permanently and improved School field could be a football pitch Need more places to let the dog off the lead away from livestock Millennium gates were a waste of money Ginny Greenholes is not a wetland anymore and could be used for recreation or encourage wildlife in the area.

Employment Awareness (Question 25) - others

Dog kennels Plumber, electrician Fishing lakes-Sunrise lakes Farrier. Dog kennels

Support Other Business (Question 26)

More shops needed to cope with the size and demand. Book shop Bakery and butcher could combine in farm shop Any additional businesses would be an asset to the village Artist's studio/showroom to show local artists work There are plenty in Harrogate/Wetherby

Tourism (Question 27)

Will need public toilets if tourism is to increase Am sure that Peter Posman has some local walks/runs written up and mapped out Artist studio/showroom We could be more commercially minded if it benefited the village as a whole If the church had better parking and toilet facilities it could be used for functions

Directory of Services (Question 28)

Would use and advertise Good idea Upholstery art history

24 Building the future

Additional Services, Social and Leisure Activities (Question 29)

More activities for young children and teens - sports i.e football, squash, badminton -Children's playground -drop in centre/regular club for teens Retain the William pub More activities for over 60's Youth Club, Brownies/scouts/cubs etc. Should advertise what goes on in the hall more. The wine evening was great. Monthly book club. Don't seem to be any/many facilities for teens either sporting or social, other than the cricket club Off road 4x4 centre, clay shooting facilities, youth club Don't want Spofforth to become too urbanised as there are already good facilities in Wetherby and Harrogate The Hall is too expensive and not suitable for badminton/table tennis and other activities needed for teenagers. Pharmacv Pubs need a boost, only a minority use them Bowling green/tennis court Football pitch, hockey pitch Yoga/pilates, children's playground Café/Restaurant Keep fit classes, art and craft classes and day trip clubs available in evenings for those who work. Not enough information on what is available Need more social and leisure activities that aren't male orientated Singles club to organise walks, theatre trips etc. - Castle pub is too depressing to use as a meeting place A proper gym would be great Youth club for teenagers or an occasional music festival using local bands – Adventure Playground Would like keep fit/aerobic/tap dancing in the Village Hall Organised walking group with a guide. Off road cycle track to Knaresborough and/or Harrogate, this would bring more mountain bikers to the village and could be used to hold a bike race. A bus service to Knaresborough is needed, especially on market day. Other Events (Question 31)

Work during the day Christmas carols around fire in Millennium Garden None as have only just moved to area Don't know about most of these things, where do we find out about them? Did not even know about many of these events Bell ringing Thursday Football None, sorry Ceilidh King William Golf Society, once every month Have not received information on these events

Additional Other Events (Question 32)

Dances - period themes such as V.E Day More in hall Archery, maybe do a cylcle race like the Wetherby one. Wine Evening Village BBQ, youth centre Simply develop and promote existing ones

Concerts or shows in the village hall/church Don't know Pantomime Garden party would be great! Wheelbarrow race May fayre Coffee mornings, indoor bowls Not bothered Open gardens, strawberry tea social groups for the 30+ Scarecrow competition St.George's Day More summer events Fancy dress races i.e wheelbarrow races Produce sale, plant show, dances (like the ceilidh) More community things like the gala More events for under 18's A may pole for the school children to dance around Music event similair to party in the park on the Castle Field with lighting fed to the castle from a generator so as not to be permanent New years eve party More community spirit and working together for the good of the community - i.e pantomime Tennis club/bowls club

Adult Facilities of Interest (Question 33)

Computer training Keep fit, Spanish lessons, art course, yoga, dance classes, wine tasting, book club Older people who cannot fully retire must re-direct their energies Education may allow us to develop into areas not considered A range of courses would interest me Dog training French classes. IT evening courses in village hall Sewing Music. art. languages arts and crafts Not presently Art, painting, life drawing, gardening club, languages Re-start courses, top up schemes in English, Maths and I.T Internet training Evening classes, yoga, pilates, languages Water painting group Get Harrogate College to offer night/evening classes in village hall Computer classes for over 50's i.e in internet and e-mail use languages, computing classes, supporting child development Facilities in Wetherby and Leeds suffice As a provider of vocational training

Facilities in Parish (Question 34)

Orange phones have terrible reception in Spofforth Can only get signal on Vodafone! Shared water mains, often low pressure T-mobile Ω^2 Plastics should be collected. Would like talk talk telephone and broadband provided much cheaper to the village Lack of policing/enforcement in the village The road services are appaling, especially on Sicklinghall Road Recyling for cardboard and plastic

Doctors (Question 35)

Boston Spa Ripon The GP's are very impersonal

Village Hall Concerns (Questions 36 and 37)

Costs to village people are too expensive

Trouble getting hold of the keys to hall. Not always had the choice of times despite months notice given. No access before 1 allows little time to set up and keys back before 5 means even less time for the kid's party. all of these have caused me to look elsewhere for next year

Hall could be used as more of a concert hall due to the good acoustics however there would need to be two changing rooms and more storage to allow this

I feel as a non-profit making group consisting of Spofforth residents, rent for the Monday Monkeys group too high

A Wetherby pilates group was given priority over the Badminton group for their weekly slot as they paid more whilst Wetherby Town Hall was being refurbished, this continued for a number of weeks until the badminton club was forced to 'disband'

Housing Availability (Question 38 and 39))

No more cheap housing as there is on old garage site Very expensive especially for first time buyers. We have to rent as prices are so high Very few village born people can afford to live here Need sheltered/supported for elderly and 1 bed for younger to rent/buy to allow them to stay in the village Additional housing would mean more traffic Less new builds, more refurbishments Already overbuilt

Housing Needed (Question 40)

Affordable purchase of village housing Available housing is available but is not well advertised or explained to younger people 1 bedroom flats for younger people to stay in village (rent or buy) + housing for older people with a warden service More rental, council/association housing for young singles and couples

Affected Personally (Question 41 and 42)

Take-away cartons thrown on front lawn Crime around the castle Illegal use of motorised scooters by underage children None Young adults play cricket and football in East Park Road. Balls hit my property and car. When I ask them to stop they get verbally aggressive. The young people who provide and use drugs are too easily named in the

village, if I know them then why don't the police? If there was a policeman living and working in the village then they would get to know who the troublemakers were.

Dog bin needed on Park Road Two groups of youths tried to get into my house Got no reaction, nothing at all was done Reported to housing department They were not concerned Poor response from the police PC Ayre is very rarely on village watch

Communication (Question 45)

The village shop General gossip Need a notice board for the other end of the village The website needs to be fully utilised Wetherby News Didn't know there was a website! Post Office noticeboard Village shop window The Castle pub

Internet Access (Question 46)

This would be a good form of information to people with limited access to the village Better broadband needed Children and Young People - Comments Squash courts/tennis Football, running and badminton Archerv A May pole Athletics, rugby A playground for a large range of ages Tennis/baseball Baseball Basketball nets/assault course Hockey Mountain bike park/course (possibly on cycle track), tennis courts, football Shooting club Any other sport Motorcross track Swimming Badminton There is enough for me to do but not for teenagers Golf for vounger people Any new sports facilities would be good

Three Things You Like About Living in Spofforth:

Scenery, the countryside, walks around the area School, Castle Field, cricket Corner shop Squiggles Good social events Good Christmas tree. It is nice and quiet, the wildlife, the cricket club because I can go and see my friends Cycling, cricket club It's small so you know most people, easy access to footpaths, you can easily walk to school Countryside, cricket club, safe Community everyone is friendly, the school, Spofforth church and choir Friends live close by, the castle ruins, play in field near by Good ice-skating rink, Nice events like the gala, nice village shop School, friends, safety Close to Harrogate Family, school, countryside Spofforth residents are friendly, I feel safe, it's pretty Being on a bus route, lovely place to live, nice services i.e shops Nice scenery, lovely people, fun cricket

Quiet, not too busy, good history Easy bus route, local shop, historical places of interest The green because I get to play rugby on it, the nice, quiet area, the countryside I get to walk in

Three Things You Dislike About Living in Spofforth:

Buses are too expensive, nothing for children to do i.e playground I can't play cricket until I'm 6/7, the very busy road Dog and horse mess, car parking on pavement by school, no playground We don't do much as a community Animals sometimes get killed on the road, People are spoiling the environment Traffic, teenage threat, no organised activities Teenagers, only one shop and it's quite expensive, it's hard to cross the road because of speeding cars Bullies Not enough shops Lack of facilities, bus timetable, speeding Nowhere to meet my friends, High Street is too busy to ride my bike, nothing to do Nothing to do, live near to school, no toy shops No signal for orange phones No proper shops, not much to do, no police Busy road, nothing to do on holidays, no playaround No football nets No activities for people my age, very fast traffic, broken glass around the Castle No park Commuter route through Spofforth, impatient drivers Speed limit is exceeded constantly, too confined Not enough to do for younger people (14-17) Nothing Nothing to do Traffic, no proper play area, it's not safe to ride your bike No youth club Too many cars, traffic is too noisy, Short cycle path, poor football pitch Don't know many people as don't go to Spofforth school, no playground

Comments From Senior Citizens

More whole community events needed. Prescription collection/delivery service I have offered to start a bridge club but got no response to my advert in the shop Friendship Club was very good

Spofforth with Stockeld Parish Council was very pleased when a number of residents volunteered to form a Steering Group to produce a Parish Plan.

The council is extremely grateful to the members of the Group for their considerable time, hard work and expertise. It welcomes the proposals in the Action Plans and warmly commends the document for the attention of parishioners.

Spofforth with Stockeld Parish Council will work with the community to address the issues raised in the Plan.

Councillor Shirley Fawcett, Chair Spofforth with Stockeld Parish Council

Your Village - Your Plan - Your Future Please get involved!

Contact details for Action Groups can be found in the Spofforth Guide, in the pocket at the back of this Parish Plan.
